PROFILE

Hello everyone, my name is Aymane MAHRI, I'm currently pursuing my master's degree in AI & datascience at the University of Abdelmalek Essaadi in Tangier, Morocco. I have a strong passion for technology and its potential to solve complex problems. My academic journey has equipped me with a solid foundation in artificial intelligence, machine learning, data analytics, and web development.

EDUCATION

Baccalaureate Diploma in Physics and Sciences   2019 - 2020
High school Mohamed Arsalane, Tangier, Morocco

I managed to acquire my Baccalaureate with honors (Very Good), This baccalaureate is the national secondary school diploma. It is the equivalent of the high school diploma in other educational systems.

MIPC Diploma   2020 - 2022
Abdelmalek Essaâdi University, Tangier, Morocco

I obtained my MIPC (Maths, Computer Science, Physics, Chemistry) diploma with honors.

Bachelor's Degree in Computer Science   2022 - 2023
Abdelmalek Essaâdi University, Tangier, Morocco

I obtained my Bachelor's Degree in Computer Science with honors.

Master's Degree in AI & Datascience   2023 - 2025
Abdelmalek Essaâdi University, Tangier, Morocco

I have recently completed the 1st year of my Master's degree studies, acquiring extensive knowledge and successfully developing numerous projects. I eagerly anticipate completing my Master's degree next year upon finishing the 2nd year.

INTERNSHIPS

Web Developer   April 2023 - June 2023
CHU Mohammed VI , Tangier, Morocco

I successfully completed my internship (PFE) at CHU Mohamed VI (UNIVERSITY HOSPITAL CENTER), where I developed a web application for procedures management. This experience not only enhanced my technical skills but also provided valuable insights into the dynamics of a professional healthcare environment. I gained practical knowledge and strengthened my ability to collaborate effectively within a team-oriented workplace.
